MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report
for DECEMBER 1968

1. The attached tables reflect some of the activities of certain components of the Office of Security during DECEMBER 1968.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. Total overt cases received for the period 1 July through 31 December 1967 numbered 11,632 cases; for the same period ending 31 December 1968, 13,099 cases have been received, which reflects an increase of 1,467 cases. Yet, for similar periods, the receipt of Staff Applicant cases is down 577 cases.
